# Conditions

Contents

Overview

The Conditions functionality in Rio uses SNOMED clinical codes. Conditions can be viewed in the Indicator's panel of the Clinical Portal or recorded via the Conditions link in the Case Record folder. Conditions may also be recorded via links found within Assessment forms.

Viewing Conditions

- Click **Menu**

- Click **Quick Menu**

- Click **Client's View**

- **Search** for your Client

The **Clinical Portal – Client's View** screen will display

- View the **Indicators** pane (top, left)

- Click the **Conditions** red plus

The Conditions will display
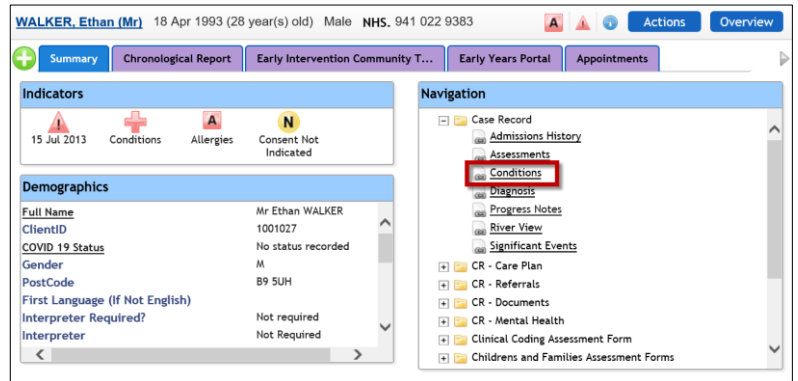

- Click the **Close** button

Adding a Condition

- Click **Menu**

- Click **Quick Menu**

- Click **Client's View**

- **Search** for your Client

The **Clinical Portal – Client's View** screen will display

Access the **Navigation Pane** (right)
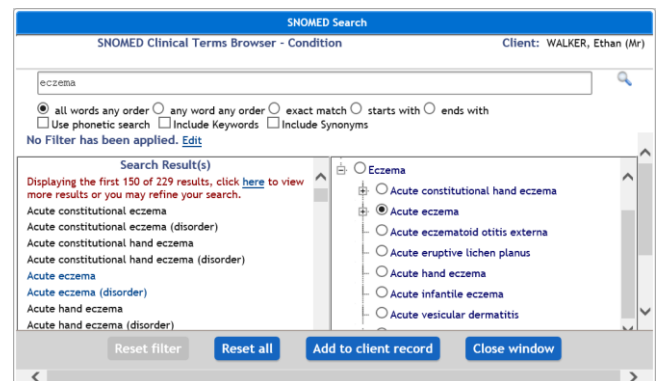

- Click **Case Record**

- Click <u>Conditions</u>

The **Conditions** screen will display

- Click **Add** (bottom)

- Click the **green plus** 🟢➕

The **SNOMED search** screen displays

- Click in the **Browser** text box

- Type the **name** of the **Condition**

- Select required filter via radio button if required

- Click the **magnifying glass** 🔍

The **Search Result(s)** display on the **left** of the screen and are listed in alphabetical order. Dependant on the quantity of results a <u>click here</u> link will display to expand the search results list.

- Click the **required Condition**

This will then display in right **SNOMED Concept Hierarchy** pane

- Click ⊙ to **select** the required condition

- Click **Add to Client Record**

- **Comment:**   Enter if required

- **Condition Onset Date:**   Enter if Known

- **Fetal Diagnosis:**   Enter if Known

- Click **Save**

The Condition is now recorded and displays as below

Condition		Onset Date	Fetal Diagnosis	Date Recorded	Recorded By	Remove
⯆ Acute eczema			No	9 Oct 2023	ASTON, Deidre	○

- Click the double arrow ⯆

This will display any comments which have been recorded

Condition		Onset Date	Fetal Diagnosis	Date Recorded	Recorded By	Remove
⯅ Acute eczema			No	9 Oct 2023	ASTON, Deidre	○
Uses Aveeno Dermexa emollient daily						

Removing a Condition

Conditions can not be edited, if a Condition has been entered in error, it can be removed

Condition		Onset Date	Fetal Diagnosis	Date Recorded	Recorded By	Remove
⯅ Acute eczema			No	9 Oct 2023	ASTON, Deidre	◉
Uses Aveeno Dermexa emollient daily						

- Click ⊙ in the **Remove** column
- Click the **Remove** button (bottom, centre)
- **Removal Reason:**   Complete as required
- **Removal Date:**   Complete as required
- Click **Remove**

The Condition will no longer display on the Conditions screen

Viewing Closed Conditions

Ensure the **Conditions** screen is displaying

- Click ☑ **Display Removed** (bottom, right)

All closed Conditions will be displayed

- **Remove** the tick ☐ to hide the removed Conditions
