Setting Up Favourite Options 1

Rio offers all menus via the ☰ MENU button located on the blue banner bar. Continually used options from the menus can be set up in the Favourites – thus making use of Rio more efficient.

Setting Up Favourite Options

- Click ☰ MENU
- Three columns will display.
- Click Quick Menu

In the second column you can select each of the options you want to add to your favourites

- Click ☆

The icon turns black.

- Click My Favourites in the first column.

All options you selected now display in the second column.
